

Eastwood Golf Club Junior Golf Program

Conducted by Certified PGA Golf Professionals

(e) golfpro@eastwoodgolf.com.au (p) 03 9728 1276 (w) eastwoodgolf.com.au

At Eastwood Golf Club, we aim to create a pathway for juniors looking to start playing golf. An introductory program called My-Golf is conducted here, which is Australia's National recognised Junior Golf Program. This program will provide the junior with the bare essential golf skills needed to graduate to our Junior Golf Development Program, also known as "Cadets". Our cadets receive access to our weekly Junior Golf Program held on a Saturday afternoon, that consists of 1 hour tuition in a fun and friendly junior group environment consisting of full swing technique, chipping, putting and bunkers, followed by a 6 hole on-course playing experience. The on-course experience not only allows them to get out on the course to have some fun, but teaches the junior golfers other needed skills of the game, such as rules and etiquette, how to score the scorecard, and different formats of play, that will eventually make them ready to become a junior golf member of Eastwood Golf Club.
