TRY OUT SOME BAREFOOT BOWLS

Putting together a celebration for your friends last day of singlehood? Why not consider something from left field and start the event off with some friendly rivalry and lots of laughter.

At Eastwood Bowls we would love to be part of that journey, a bit of music on the green, light banter and lots of ribbing as you try to outsmart and outperform your mates; setting it up for a great and memorable night to come.

Greenside drinks with Grazing Boards sets the scene from just \$15 per person.
